Limit Points: 50

Player: Joe  
Exp: 13  
Unspent: 13

Robin Foo is a cute Pacific Islander girl who is a department store worker, gaming geek, and martial arts enthusiast. After a competition out of town, she saved a strange creature from hunters, only to be slain by them. A menacing Spirit of Nature revived her and now she has great strength with an affinity for Plants. She fights crime under her real first name, Robin, but she does hide her identity when she can (her armor protects her ID).

Age 26, Pacific Island Mix (Asian), Robin Foo. Department Store worker and gaming geek who works in the Mall of Canada at Rochelle. She likes gaming stuff, so she spends her breaks in bookstores and roleplaying gaming stores. She is cute and is into martial arts (knows a mix of styles, knows lore). Some sales skill. Parents deceased. Single. She has an apartment and car. Wants to go to school but not sure for what yet.... been through 1 year of college... funds ran out doesnt drink or smoke. Have a silent temper ... but for the most part.... she tries to keep it under control. Has uncles and aunts, but no living close family. She has lived in Texas and California, and now lives in Clamath-Rock but works in Rochelle. She speaks english, and a little Indonesian.
